**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because it was affordable, fast and provides me with both internet access and telephone. I have been very satisfied with the service provided and am very upset to find out that the major providers like AT&T are trying to monopolize my ability to continue enjoying sonic. I am retired and live on a fixed income so a provider like sonic is crucial to my having or not having a connection to vital and timely information. Please help providers like sonic continue doing the good work for people like myself and others who have come to depend on freedom of choice.

Thank you for your help.
